

With the hospitality of the local cycling guide, the ride is combined with 35 km of relaxing freshness of the Moslavina hill forests and local villages.

What to Expect

Only an hour and a half from Zagreb city, there is a hidden Moslavina hill. With its beautifully preserved nature, the terrain is perfect for mountain biking!

Jump on an e-bike and show us your moves! With the hospitality of local cycling guide and with the rent of electric bikes, the ride is combined with uphill, downhill, sightseeing of medieval fortresses, churches, monastery and relaxing freshness of the Moslavina forests.

Of course, there is a special viewpoint from which you can see the entire rural region.

During the ride, we have a few stops by the choice of a group. Morning snack and departure is from Podgarić place where we also have a well-deserved lunch after the challenge.

Estimated length of the cycling route is 35 km

Terrain: asphalt, macadam and forest road.

Cycling road level: 3/5

Price per person 360 kn
