

Hiking for beginners is a half-day tour created by a local guide Mons Claudius guide and Rural Escape agency intended for all of you who wish to walk among forests but feel insecure because of unfamiliar terrain.

What to Expect

Moslavina hill is situated only an hour and a half driving from Zagreb city.

Moslavina region, in general, is a small rural area beautifully covered with agricultural fields, vineyards, and rustically houses.

Among all, Moslavina hill is settled in the middle of the region.

Within our hiking tour, we will walk about 4 hours (including breaks) through the forest, enjoying green colors and fresh air surrounding. We learn about the basics of hiking and along the way, we meet the history, legends related to this part of the untouched nature. During our hike, we will visit beautifully preserved archaeological remains such as Garić-grad, and walk to the highest peak on Moslavina hill called Humka (489 m).

The beginning of the tour starts from a small place called Podgarić where we meet with our guide along with the cup of coffee, tea, and morning snack. After the hike, there is a well-deserved lunch waiting for us.
